

OpenCart – PayPal Express Checkout

如何启用 PayPal 快速结账

- 登录 OpenCart 管理后台
- 点击左手边导航条上的“Extensions”

The screenshot shows the OpenCart Dashboard. The left sidebar navigation menu is open, and the 'Extensions' option is highlighted. The dashboard includes several widgets: a warning message, three summary cards for 'TOTAL SALES' (13), 'TOTAL SALES' (1.8K), and 'TOTAL CUSTOMERS' (1), a world map, a 'Sales Analytics' bar chart, and a 'Latest Orders' table.

Order ID	Customer	Status	Date Added
17	Mtt Kirk	Processing	03/05/2017

- 下拉菜单选择“Payments”

The screenshot shows the OpenCart Extensions page. The 'Extension List' section is visible, and a dropdown menu is open, listing various extension types. The 'Payments (47)' option is highlighted in blue.
